# ON RISE

KAY WOODWARD

I've always loved the view from the top—the top of anything. That's where perspective lives and waits to be found! Through Christ we have the ability and strength to do just that— we can RISE above it all.

There's just something so special about the theme of this year's Flourish Conference: RISE! It encourages and challenges me to think above, past, and beyond my circumstances. God wants us to be everything we were created to be. He has destined us for this exact time and place and is ready for us to RISE!

I want to personally invite you to Flourish Conference 2016 at Copper Pointe Church, October 20-22. We have an incredible event planned with amazing speakers and sessions that I'm sure will be impactful and life changing. It's time for us to RISE together as mothers, daughters, sisters, and friends to reach unbelievable new heights.

## *CHARLOTTE GAMBILL*

Charlotte has an infectious love for life, a deep love for people, and zealous love for God's House.

Her passion is to build the local church across the earth, to see people reach their full potential, and to develop and strengthen leadership. Charlotte is known for her practical, humorous, and passionate application of God's word. Her messages of life and purpose are rallying a generation to embrace the broken and become ambassadors of hope. Charlotte is an author, speaker, pastor, and mother. She leads LIFE church in England with her husband Steve. Together they have two children, Hope Cherish and Noah Brave.

## *JULIA VEACH*

Julia Veach, along with her husband Chad, pastor Zoe Church LA in the Los Angeles area. After leading a large youth ministry in Puyallup, Washington and serving on staff at the City Church in Seattle, the two moved to LA in 2014, feeling called to gather community and share the love of Jesus in that city. Though both hers and Chad's influence have grown over the years, it's their daughter Georgia's story that has captured the attention of the world. Since she was diagnosed with a rare brain disorder in 2012, thousands have stood with Chad and Julia and shown their support. Today, Julia cares full-time for Georgia and their two sons, Winston and Maverick. Often travelling to speak and share with other churches, her favorite moments are when she's in the chaos of her own home, hosting events with their local church team while her kids run around and the leaders love on Georgia.
